Car numbers are assigned by order of payment date and time. Please choose a number from 2 to 999. This unique car number will be used for the entire weekend on all cars, as well as your number for the prize draws. Winners of each class from last year's event will also get a #1 decal to display on their car for that winning class only (optional), but will still be required to display their assigned number for this year as well. The choice of car numbers is only for participants that are paid by the Early Bird deadline of midnight Sunday, February 18 / 2018. Once that date has passed, numbers will be assigned at the race official's choosing once payment is received.
